

HIPAA Compliance (DSHS and HCA)

Preamble: This section of the Contract is the Business Associate Agreement as required by HIPAA.

1. Definitions.

- a. "Business Associate," as used in this Contract, means the "Contractor" and generally has the same meaning as the term "business associate" at 45 CFR 160.103. Any reference to Business Associate in this Contract includes Business Associate's employees, agents, officers, Subcontractors, third party contractors, volunteers, or directors.
- b. "Business Associate Agreement" means this HIPAA Compliance section of the Contract and includes the Business Associate provisions required by the U.S. Department of Health and Human Services, Office for Civil Rights.
- c. "Breach" means the acquisition, access, use, or disclosure of Protected Health Information in a manner not permitted under the HIPAA Privacy Rule which compromises the security or privacy of the Protected Health Information, with the exclusions and exceptions listed in 45 CFR 164.402.
- d. "Covered Entity" means DSHS, a Covered Entity as defined at 45 CFR 160.103, in its conduct of covered functions by its health care components.
- e. "Designated Record Set" means a group of records maintained by or for a Covered Entity, that is: the medical and billing records about Individuals maintained by or for a covered health care provider; the enrollment, payment, claims adjudication, and case or medical management record systems maintained by or for a health plan; or Used in whole or part by or for the Covered Entity to make decisions about Individuals.
- f. "Electronic Protected Health Information (EPHI)" means Protected Health Information that is transmitted by electronic media or maintained in any medium described in the definition of electronic media at 45 CFR 160.103.
- g. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Pub. L. 104-191, as modified by the American Recovery and Reinvestment Act of 2009 ("ARRA"), Sec. 13400 – 13424, H.R. 1 (2009) (HITECH Act).
- h. "HIPAA Rules" means the Privacy, Security, Breach Notification, and Enforcement Rules at 45 CFR Parts 160 and Part 164.
- i. "Individual(s)" means the person(s) who is the subject of PHI and includes a person who qualifies as a personal representative in accordance with 45 CFR 164.502(g).
- j. "Minimum Necessary" means the least amount of PHI necessary to accomplish the purpose for which the PHI is needed.

- k. "Protected Health Information (PHI)" means individually identifiable health information created, received, maintained or transmitted by Business Associate on behalf of a health care component of the Covered Entity that relates to the provision of health care to an Individual; the past, present, or future physical or mental health or condition of an Individual; or the past, present, or future payment for provision of health care to an Individual. 45 CFR 160.103. PHI includes demographic information that identifies the Individual or about which there is reasonable basis to believe can be used to identify the Individual. 45 CFR 160.103. PHI is information transmitted or held in any form or medium and includes EPHI. 45 CFR 160.103. PHI does not include education records covered by the Family Educational Rights and Privacy Act, as amended, 20 USCA 1232g(a)(4)(B)(iv) or employment records held by a Covered Entity in its role as employer.
 - l. "Security Incident" means the attempted or successful unauthorized access, use, disclosure, modification or destruction of information or interference with system operations in an information system.
 - m. "Subcontractor" as used in this HIPAA Compliance section of the Contract (in addition to its definition in the General Terms and Conditions) means a Business Associate that creates, receives, maintains, or transmits Protected Health Information on behalf of another Business Associate.
 - n. "Use" includes the sharing, employment, application, utilization, examination, or analysis, of PHI within an entity that maintains such information.
2. **Compliance.** Business Associate shall perform all Contract duties, activities and tasks in compliance with HIPAA, the HIPAA Rules, and all attendant regulations as promulgated by the U.S. Department of Health and Human Services, Office of Civil Rights.
3. **Use and Disclosure of PHI.** Business Associate is limited to the following permitted and required uses or disclosures of PHI:
- a. **Duty to Protect PHI.** Business Associate shall protect PHI from, and shall use appropriate safeguards, and comply with Subpart C of 45 CFR Part 164 (Security Standards for the Protection of Electronic Protected Health Information) with respect to EPHI, to prevent the unauthorized Use or disclosure of PHI other than as provided for in this Contract or as required by law, for as long as the PHI is within its possession and control, even after the termination or expiration of this Contract.
 - b. **Minimum Necessary Standard.** Business Associate shall apply the HIPAA Minimum Necessary standard to any Use or disclosure of PHI necessary to achieve the purposes of this Contract. See 45 CFR 164.514 (d)(2) through (d)(5).
 - c. **Disclosure as Part of the Provision of Services.** Business Associate shall only Use or disclose PHI as necessary to perform the services specified in this Contract or as required by law, and shall not Use or disclose such PHI in any manner that would violate Subpart E of 45 CFR Part 164 (Privacy of

Individually Identifiable Health Information) if done by Covered Entity, except for the specific uses and disclosures set forth below.

- d. Use for Proper Management and Administration. Business Associate may Use PHI for the proper management and administration of the Business Associate or to carry out the legal responsibilities of the Business Associate.
- e. Disclosure for Proper Management and Administration. Business Associate may disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of the Business Associate, provided the disclosures are required by law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been Breached.
- f. Impermissible Use or Disclosure of PHI. Business Associate shall report to DSHS in writing all Uses or disclosures of PHI not provided for by this Contract within one (1) business day of becoming aware of the unauthorized Use or disclosure of PHI, including Breaches of unsecured PHI as required at 45 CFR 164.410 (Notification by a Business Associate), as well as any Security Incident of which it becomes aware. Upon request by DSHS, Business Associate shall mitigate, to the extent practicable, any harmful effect resulting from the impermissible Use or disclosure.
- g. Failure to Cure. If DSHS learns of a pattern or practice of the Business Associate that constitutes a violation of the Business Associate's obligations under the terms of this Contract and reasonable steps by DSHS do not end the violation, DSHS shall terminate this Contract, if feasible. In addition, If Business Associate learns of a pattern or practice of its Subcontractors that constitutes a violation of the Business Associate's obligations under the terms of their contract and reasonable steps by the Business Associate do not end the violation, Business Associate shall terminate the Subcontract, if feasible.
- h. Termination for Cause. Business Associate authorizes immediate termination of this Contract by DSHS, if DSHS determines that Business Associate has violated a material term of this Business Associate Agreement. DSHS may, at its sole option, offer Business Associate an opportunity to cure a violation of this Business Associate Agreement before exercising a termination for cause.
- i. Consent to Audit. Business Associate shall give reasonable access to PHI, its internal practices, records, books, documents, electronic data and/or all other business information received from, or created or received by Business Associate on behalf of DSHS, to the Secretary of DHHS and/or to DSHS for use in determining compliance with HIPAA privacy requirements.
- j. Obligations of Business Associate Upon Expiration or Termination. Upon expiration or termination of this Contract for any reason, with respect to PHI

received from DSHS, or created, maintained, or received by Business Associate, or any Subcontractors, on behalf of DSHS, Business Associate shall:

- (1) Retain only that PHI which is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities;
 - (2) Return to DSHS or destroy the remaining PHI that the Business Associate or any Subcontractors still maintain in any form;
 - (3) Continue to use appropriate safeguards and comply with Subpart C of 45 CFR Part 164 (Security Standards for the Protection of Electronic Protected Health Information) with respect to Electronic Protected Health Information to prevent Use or disclosure of the PHI, other than as provided for in this Section, for as long as Business Associate or any Subcontractors retain the PHI;
 - (4) Not Use or disclose the PHI retained by Business Associate or any Subcontractors other than for the purposes for which such PHI was retained and subject to the same conditions set out in the "Use and Disclosure of PHI" section of this Contract which applied prior to termination; and
 - (5) Return to DSHS or destroy the PHI retained by Business Associate, or any Subcontractors, when it is no longer needed by Business Associate for its proper management and administration or to carry out its legal responsibilities.
- k. Survival. The obligations of the Business Associate under this section shall survive the termination or expiration of this Contract.

4. Individual Rights.

- a. Accounting of Disclosures.
 - (1) Business Associate shall document all disclosures, except those disclosures that are exempt under 45 CFR 164.528, of PHI and information related to such disclosures.
 - (2) Within ten (10) business days of a request from DSHS, Business Associate shall make available to DSHS the information in Business Associate's possession that is necessary for DSHS to respond in a timely manner to a request for an accounting of disclosures of PHI by the Business Associate. See 45 CFR 164.504(e)(2)(ii)(G) and 164.528(b)(1).
 - (3) At the request of DSHS or in response to a request made directly to the Business Associate by an Individual, Business Associate shall respond, in a timely manner and in accordance with HIPAA and the HIPAA Rules, to requests by Individuals for an accounting of disclosures of PHI.

- (4) Business Associate record keeping procedures shall be sufficient to respond to a request for an accounting under this section for the six (6) years prior to the date on which the accounting was requested.

b. Access

- (1) Business Associate shall make available PHI that it holds that is part of a Designated Record Set when requested by DSHS or the Individual as necessary to satisfy DSHS's obligations under 45 CFR 164.524 (Access of Individuals to Protected Health Information).
- (2) When the request is made by the Individual to the Business Associate or if DSHS asks the Business Associate to respond to a request, the Business Associate shall comply with requirements in 45 CFR 164.524 (Access of Individuals to Protected Health Information) on form, time and manner of access. When the request is made by DSHS, the Business Associate shall provide the records to DSHS within ten (10) business days.

c. Amendment.

- (1) If DSHS amends, in whole or in part, a record or PHI contained in an Individual's Designated Record Set and DSHS has previously provided the PHI or record that is the subject of the amendment to Business Associate, then DSHS will inform Business Associate of the amendment pursuant to 45 CFR 164.526(c)(3) (Amendment of Protected Health Information).
- (2) Business Associate shall make any amendments to PHI in a Designated Record Set as directed by DSHS or as necessary to satisfy DSHS's obligations under 45 CFR 164.526 (Amendment of Protected Health Information).

5. Subcontracts and other Third Party Agreements. In accordance with 45 CFR 164.502(e)(1)(ii), 164.504(e)(1)(i), and 164.308(b)(2), Business Associate shall ensure that any agents, Subcontractors, independent contractors or other third parties that create, receive, maintain, or transmit PHI on Business Associate's behalf, enter into a written contract that contains the same terms, restrictions, requirements, and conditions as the HIPAA compliance provisions in this Contract with respect to such PHI. The same provisions must also be included in any contracts by a Business Associate's Subcontractor with its own business associates as required by 45 CFR 164.314(a)(2)(b) and 164.504(e)(5) .

6. Obligations. To the extent the Business Associate is to carry out one or more of DSHS's obligation(s) under Subpart E of 45 CFR Part 164 (Privacy of Individually Identifiable Health Information), Business Associate shall comply with all requirements that would apply to DSHS in the performance of such obligation(s).

7. Liability. Within ten (10) business days, Business Associate must notify DSHS of any complaint, enforcement or compliance action initiated by the Office for Civil Rights based on an allegation of violation of the HIPAA Rules and must inform

DSHS of the outcome of that action. Business Associate bears all responsibility for any penalties, fines or sanctions imposed against the Business Associate for violations of the HIPAA Rules and for any imposed against its Subcontractors or agents for which it is found liable.

8. Breach Notification.

- a. In the event of a Breach of unsecured PHI or disclosure that compromises the privacy or security of PHI obtained from DSHS or involving DSHS clients, Business Associate will take all measures required by state or federal law.
- b. Business Associate will notify DSHS within one (1) business day by telephone and in writing of any acquisition, access, Use or disclosure of PHI not allowed by the provisions of this Contract or not authorized by HIPAA Rules or required by law of which it becomes aware which potentially compromises the security or privacy of the Protected Health Information as defined in 45 CFR 164.402 (Definitions).
- c. Business Associate will notify the DSHS Contact shown on the cover page of this Contract within one (1) business day by telephone or e-mail of any potential Breach of security or privacy of PHI by the Business Associate or its Subcontractors or agents. Business Associate will follow telephone or e-mail notification with a faxed or other written explanation of the Breach, to include the following: date and time of the Breach, date Breach was discovered, location and nature of the PHI, type of Breach, origination and destination of PHI, Business Associate unit and personnel associated with the Breach, detailed description of the Breach, anticipated mitigation steps, and the name, address, telephone number, fax number, and e-mail of the individual who is responsible as the primary point of contact. Business Associate will address communications to the DSHS Contact. Business Associate will coordinate and cooperate with DSHS to provide a copy of its investigation and other information requested by DSHS, including advance copies of any notifications required for DSHS review before disseminating and verification of the dates notifications were sent.
- d. If DSHS determines that Business Associate or its Subcontractor(s) or agent(s) is responsible for a Breach of unsecured PHI:
 - (1) requiring notification of Individuals under 45 CFR § 164.404 (Notification to Individuals), Business Associate bears the responsibility and costs for notifying the affected Individuals and receiving and responding to those Individuals' questions or requests for additional information;
 - (2) requiring notification of the media under 45 CFR § 164.406 (Notification to the media), Business Associate bears the responsibility and costs for notifying the media and receiving and responding to media questions or requests for additional information;
 - (3) requiring notification of the U.S. Department of Health and Human Services Secretary under 45 CFR § 164.408 (Notification to the Secretary), Business Associate bears the responsibility and costs for

notifying the Secretary and receiving and responding to the Secretary's questions or requests for additional information; and

- (4) DSHS will take appropriate remedial measures up to termination of this Contract.

9. Miscellaneous Provisions.

- a. Regulatory References. A reference in this Contract to a section in the HIPAA Rules means the section as in effect or amended.
- b. Interpretation. Any ambiguity in this Contract shall be interpreted to permit compliance with the HIPAA Rules.

Exhibit A – Data Security Requirements

1. **Definitions.** The words and phrases listed below, as used in this Exhibit, shall each have the following definitions:
 - a. “Authorized User(s)” means an individual or individuals with an authorized business requirement to access DSHS Confidential Information.
 - b. “Hardened Password” means a string of at least eight characters containing at least one alphabetic character, at least one number and at least one special character such as an asterisk, ampersand or exclamation point.
 - c. “Unique User ID” means a string of characters that identifies a specific user and which, in conjunction with a password, passphrase or other mechanism, authenticates a user to an information system.

2. **Data Transport.** When transporting DSHS Confidential Information electronically, including via email, the Data will be protected by:
 - a. Transporting the Data within the (State Governmental Network) SGN or Contractor’s internal network, or;
 - b. Encrypting any Data that will be in transit outside the SGN or Contractor’s internal network. This includes transit over the public Internet.

3. **Protection of Data.** The Contractor agrees to store Data on one or more of the following media and protect the Data as described:
 - a. **Hard disk drives.** Data stored on local workstation hard disks. Access to the Data will be restricted to Authorized User(s) by requiring logon to the local workstation using a Unique User ID and Hardened Password or other authentication mechanisms which provide equal or greater security, such as biometrics or smart cards.
 - b. **Network server disks.** Data stored on hard disks mounted on network servers and made available through shared folders. Access to the Data will be restricted to Authorized Users through the use of access control lists which will grant access only after the Authorized User has authenticated to the network using a Unique User ID and Hardened Password or other authentication mechanisms which provide equal or greater security, such as biometrics or smart cards. Data on disks mounted to such servers must be located in an area which is accessible only to authorized personnel, with access controlled through use of a key, card key, combination lock, or comparable mechanism.

For DSHS Confidential Information stored on these disks, deleting unneeded Data is sufficient as long as the disks remain in a Secured Area and otherwise meet the requirements listed in the above paragraph. Destruction of the Data as outlined in Section 5. Data Disposition may be deferred until the disks are retired, replaced, or otherwise taken out of the Secured Area.

- c. **Optical discs (CDs or DVDs) in local workstation optical disc drives.**
Data provided by DSHS on optical discs which will be used in local workstation optical disc drives and which will not be transported out of a Secured Area. When not in use for the contracted purpose, such discs must be locked in a drawer, cabinet or other container to which only Authorized Users have the key, combination or mechanism required to access the contents of the container. Workstations which access DSHS Data on optical discs must be located in an area which is accessible only to authorized personnel, with access controlled through use of a key, card key, combination lock, or comparable mechanism.
- d. **Optical discs (CDs or DVDs) in drives or jukeboxes attached to servers.**
Data provided by DSHS on optical discs which will be attached to network servers and which will not be transported out of a Secured Area. Access to Data on these discs will be restricted to Authorized Users through the use of access control lists which will grant access only after the Authorized User has authenticated to the network using a Unique User ID and Hardened Password or other authentication mechanisms which provide equal or greater security, such as biometrics or smart cards. Data on discs attached to such servers must be located in an area which is accessible only to authorized personnel, with access controlled through use of a key, card key, combination lock, or comparable mechanism.
- e. **Paper documents.** Any paper records must be protected by storing the records in a Secured Area which is only accessible to authorized personnel. When not in use, such records must be stored in a locked container, such as a file cabinet, locking drawer, or safe, to which only authorized persons have access.
- f. **Remote Access.** Access to and use of the Data over the State Governmental Network (SGN) or Secure Access Washington (SAW) will be controlled by DSHS staff who will issue authentication credentials (e.g. a Unique User ID and Hardened Password) to Authorized Users on Contractor staff. Contractor will notify DSHS staff immediately whenever an Authorized User in possession of such credentials is terminated or otherwise leaves the employ of the Contractor, and whenever an Authorized User's duties change such that the Authorized User no longer requires access to perform work for this Contract.
- g. **Data storage on portable devices or media.**
 - (1) Except where otherwise specified herein, DSHS Data shall not be stored by the Contractor on portable devices or media unless specifically authorized within the terms and conditions of the Contract. If so authorized, the Data shall be given the following protections:
 - (a) Encrypt the Data with a key length of at least 128 bits
 - (b) Control access to devices with a Unique User ID and Hardened Password or stronger authentication method such as a physical token or biometrics.

- (c) Manually lock devices whenever they are left unattended and set devices to lock automatically after a period of inactivity, if this feature is available. Maximum period of inactivity is 20 minutes.

Physically Secure the portable device(s) and/or media by

- (d) Keeping them in locked storage when not in use
 - (e) Using check-in/check-out procedures when they are shared, and
 - (f) Taking frequent inventories
- (2) When being transported outside of a Secured Area, portable devices and media with DSHS Confidential Information must be under the physical control of Contractor staff with authorization to access the Data.
 - (3) Portable devices include, but are not limited to; smart phones, tablets, flash memory devices (e.g. USB flash drives, personal media players), portable hard disks, and laptop/notebook/netbook computers if those computers may be transported outside of a Secured Area.
 - (4) Portable media includes, but is not limited to; optical media (e.g. CDs, DVDs), magnetic media (e.g. floppy disks, tape), or flash media (e.g. CompactFlash, SD, MMC).

h. Data stored for backup purposes.

- (1) DSHS data may be stored on portable media as part of a Contractor's existing, documented backup process for business continuity or disaster recovery purposes. Such storage is authorized until such time as that media would be reused during the course of normal backup operations. If backup media is retired while DSHS Confidential Information still exists upon it, such media will be destroyed at that time in accordance with the disposition requirements in Section 5. Data Disposition
- (2) DSHS Data may be stored on non-portable media (e.g. Storage Area Network drives, virtual media, etc.) as part of a Contractor's existing, documented backup process for business continuity or disaster recovery purposes. If so, such media will be protected as otherwise described in this exhibit. If this media is retired while DSHS Confidential Information still exists upon it, the data will be destroyed at that time in accordance with the disposition requirements in Section 5. Data Disposition.

4. Data Segregation.

- a. DSHS Data must be segregated or otherwise distinguishable from non-DSHS data. This is to ensure that when no longer needed by the Contractor, all DSHS Data can be identified for return or destruction. It also aids in determining whether DSHS Data has or may have been compromised in the event of a security breach. As such, one or more of the following methods will be used for data segregation.

- b. DSHS Data will be kept on media (e.g. hard disk, optical disc, tape, etc.) which will contain no non-DSHS Data. And/or,
- c. DSHS Data will be stored in a logical container on electronic media, such as a partition or folder dedicated to DSHS Data. And/or,
- d. DSHS Data will be stored in a database which will contain no non-DSHS data. And/or,
- e. DSHS Data will be stored within a database and will be distinguishable from non-DSHS data by the value of a specific field or fields within database records.
- f. When stored as physical paper documents, DSHS Data will be physically segregated from non-DSHS data in a drawer, folder, or other container.
- g. When it is not feasible or practical to segregate DSHS Data from non-DSHS data, then both the DSHS Data and the non-DSHS data with which it is commingled must be protected as described in this exhibit.

5. **Data Disposition.** When the contracted work has been completed or when no longer needed, except as noted in 4.b above, Data shall be returned to DSHS or destroyed. Media on which Data may be stored and associated acceptable methods of destruction are as follows:

Data stored on:	Will be destroyed by:
Server or workstation hard disks, or Removable media (e.g. floppies, USB flash drives, portable hard disks) excluding optical discs	Using a “wipe” utility which will overwrite the Data at least three (3) times using either random or single character data, or Degaussing sufficiently to ensure that the Data cannot be reconstructed, or Physically destroying the disk
Paper documents with sensitive or Confidential Information	Recycling through a contracted firm provided the contract with the recycler assures that the confidentiality of Data will be protected.
Paper documents containing Confidential Information requiring special handling (e.g. protected health information)	On-site shredding, pulping, or incineration
Optical discs (e.g. CDs or DVDs)	Incineration, shredding, or completely defacing the readable surface with a coarse abrasive
Magnetic tape	Degaussing, incinerating or crosscut shredding

6. **Notification of Compromise or Potential Compromise.** The compromise or potential compromise of DSHS shared Data must be reported to the DSHS Contact designated in the Contract within one (1) business day of discovery. If no DSHS Contact is designated in the Contract, then the notification must be reported to the DSHS Privacy Officer at dshsprivacyofficer@dshs.wa.gov. Contractor must also take actions to mitigate the risk of loss and comply with any notification or other requirements imposed by law or DSHS.
7. **Data shared with Subcontractors.** If DSHS Data provided under this Contract is to be shared with a subcontractor, the Contract with the subcontractor must include all of the data security provisions within this Contract and within any amendments, attachments, or exhibits within this Contract. If the Contractor cannot protect the Data as articulated within this Contract, then the contract with the sub-Contractor must be submitted to the DSHS Contact specified for this contract for review and approval.

DSHS TERMS & CONDITIONS

10. **Definitions.** The words and phrases listed below, as used in this Contract, shall each have the following definitions:
 - a. “Confidential Information” or “Data” means information that is exempt from disclosure to the public or other unauthorized persons under RCW 42.56 or other federal or state laws. Confidential Information includes, but is not limited to, Personal Information.
 - b. “Encrypt” means to encode Confidential Information into a format that can only be read by those possessing a “key”; a password, digital certificate or other mechanism available only to authorized users. Encryption must use a key length of at least 128 bits.
 - c. “Personal Information” means information identifiable to any person, including, but not limited to, information that relates to a person’s name, health, finances, education, business, use or receipt of governmental services or other activities, addresses, telephone numbers, Social Security Numbers, driver license numbers, other identifying numbers, and any financial identifiers.
 - d. “Physically Secure” means that access is restricted through physical means to authorized individuals only.
 - e. “Program Agreement” means an agreement between the Contractor and DSHS containing special terms and conditions, including a statement of work to be performed by the Contractor and payment to be made by DSHS.

- f. "Secured Area" means an area to which only authorized representatives of the entity possessing the Confidential Information have access. Secured Areas may include buildings, rooms or locked storage containers (such as a filing cabinet) within a room, as long as access to the Confidential Information is not available to unauthorized personnel.
- g. "Tracking" means a record keeping system that identifies when the sender begins delivery of Confidential Information to the authorized and intended recipient, and when the sender receives confirmation of delivery from the authorized and intended recipient of Confidential Information.
- h. "Trusted Systems" include only the following methods of physical delivery: (1) hand-delivery by a person authorized to have access to the Confidential Information with written acknowledgement of receipt; (2) United States Postal Service ("USPS") first class mail, or USPS delivery services that include Tracking, such as Certified Mail, Express Mail or Registered Mail; (3) commercial delivery services (e.g. FedEx, UPS, DHL) which offer tracking and receipt confirmation; and (4) the Washington State Campus mail system. For electronic transmission, the Washington State Governmental Network (SGN) is a Trusted System for communications within that Network.

11. Billing Limitations.

- a. DSHS shall pay the Contractor only for authorized services provided in accordance with this Contract.
- b. DSHS shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were performed.
- c. The Contractor shall not bill and DSHS shall not pay for services performed under this Contract, if the Contractor has charged or will charge another agency of the state of Washington or any other party for the same services.

12. Confidentiality.

- a. The Contractor shall not use, publish, transfer, sell or otherwise disclose any Confidential Information gained by reason of this Contract for any purpose that is not directly connected with Contractor's performance of the services contemplated hereunder, except:
 - (1) as provided by law; or,
 - (2) in the case of Personal Information, with the prior written consent of the person or personal representative of the person who is the subject of the Personal Information.
- b. The Contractor shall protect and maintain all Confidential Information gained by reason of this Contract against unauthorized use, access, disclosure, modification or loss. This duty requires the Contractor to employ reasonable security measures, which include restricting access to the Confidential

Information by:

- (1) Allowing access only to staff that have an authorized business requirement to view the Confidential Information.
- (2) Physically Securing any computers, documents, or other media containing the Confidential Information.
- (3) Ensure the security of Confidential Information transmitted via fax (facsimile) by:

Verifying the recipient phone number to prevent accidental transmittal of Confidential Information to unauthorized persons.

Communicating with the intended recipient before transmission to ensure that the fax will be received only by an authorized person.

Verifying after transmittal that the fax was received by the intended recipient.

- (4) When transporting six (6) or more records containing Confidential Information, outside a Secured Area, do one or more of the following as appropriate:

(a) Use a Trusted System.

(b) Encrypt the Confidential Information, including:

Encrypting email and/or email attachments which contain the Confidential Information.

Encrypting Confidential Information when it is stored on portable devices or media, including but not limited to laptop computers and flash memory devices.

Note: If the DSHS Data Security Requirements Exhibit is attached to this contract, this item, 6.b.(4), is superseded by the language contained in the Exhibit.

- (5) Send paper documents containing Confidential Information via a Trusted System.
 - (6) Following the requirements of the DSHS Data Security Requirements Exhibit, if attached to this contract.
- c. Upon request by DSHS, at the end of the Contract term, or when no longer needed, data shall be returned to DSHS or Contractor shall certify in writing that they employed a DSHS approved method to destroy the information. Contractor may obtain information regarding approved destruction methods from the DSHS contact identified on the cover page of this Contract.
 - d. Paper documents with Confidential Information may be recycled through a

contracted firm, provided the contract with the recycler specifies that the confidentiality of information will be protected, and the information destroyed through the recycling process. Paper documents containing Confidential Information requiring special handling (e.g. protected health information) must be destroyed on-site through shredding, pulping, or incineration.

- e. Notification of Compromise or Potential Compromise. The compromise or potential compromise of Confidential Information must be reported to the DSHS Contact designated on the contract within one (1) business day of discovery. Contractor must also take actions to mitigate the risk of loss and comply with any notification or other requirements imposed by law or DSHS.
